## EDUCATION

MACAULAY HONORS AT CUNY BARUCH COLLEGE - BACHELOR OF BUSINESS ADMINISTRATION

- Major: Computer Information Systems | Minor: NYC Studies with honors
- August 2017 - May 2021 | GPA 3.8/4.0

## WORK EXPERIENCE

### FRONT-END DEVELOPER

fireflies - New York, NY | September 2020 - Present

- Develop reusable components for the client end of our donation platform: [fireflies.app/](https://fireflies.app/),
- Implement user stories in a SCRUM environment. Coordinate with the CEO/lead UI designer to ensure consistent designs.
- Unit test new pull requests. Also run smoke tests on different scenarios to eliminate UI and functional bugs.

### LEAD FRONT-END DEVELOPER

SavingTakeouts - New York, NY | May 2020 - September 2020

- Co-founded a non-profit to provide free web development and marketing services to underprivileged businesses during the COVID-19 pandemic: [savingtakeouts.org/](https://savingtakeouts.org/).
- Trained and managed team of 4 developers to develop free WordPress themes. Used WP filters and Ajax calls to further customize themes.
- Coordinated daily scrums to set deadlines, update the sprint backlog, and address blockers.
- Operated as a liaison between clients and developers. Translated client needs into technical specifications for the developers and proposed Figma mockups to our clients.
- Optimized the development process by developing a reusable barebone template with LocalWP. Also integrated SASS modules to ensure modular and locally scoped styles).

### WEB DEVELOPER

Baruch College - New York, NY | April 2018 - March 2020

- Collaborated with 4 developers to create web apps that automated file transfers, asset reporting, ticket reporting, and tech support queueing.
- Redesigned the client, staff, and admin interface for Baruch tech support's queue management system that serves 250+ users weekly (using HTML, SASS, Bootstrap, and React.js).
- Developed a CRUD video streaming software using Python-Django that manages and streams promotional videos across multiple Baruch TVs.
- Utilized the WAMP stack to develop a web app that generated and dispatched desktop backgrounds to 700+ Baruch library computers.

## LEADERSHIP & ACTIVITIES

### PROJECT MANAGER

Ascend - Baruch Chapter | June 2020 - August 2020

- Recruited a team of 10 Ascend members to revamp Ascend's 2020 website: [ascendbaruch.org](https://ascendbaruch.org).
- Trained team members on Figma prototyping, HTML/CSS development, and WordPress development through weekly workshops. Launched a mobile responsive website in under 2 months.

### VP OF TECHNOLOGY

Ascend - Baruch Chapter | June 2019 - June 2020

- Spearheaded an 8-week web development (HTML/CSS) workshop and a 10-week Python workshop to introduce students to the world of programming.
- Planned weekly networking sessions, professional panels, and social events.
- Streamlined the e-board's workflow and communication through integrating software like Trello, Slack, and G-Suite.

## ACHIEVEMENTS

- 5th Annual CUNY Hackathon (Team SKill.ly) - 1st Place, Most Creative Project, Best Wildcard Project | January 2021
- Santander Universities Entrepreneurship Scholarship | August 2020
- 4th Annual CUNY Hackathon (Team reFashion) - Top 10 | October 2019
- Member of Phi Eta Sigma National Honors Society | March 2018 - Present
- University Scholar (4-year tuition to Macaulay Honors College) | September 2017 - Present
- New York City Council Merit Scholarship | September 2017 - Present
